		If the directors, supervisors and senior management members of the Company as well as the shareholders holding more than 5% of the A Shares of the Company sell the Company Shares they hold within six months after purchase or buy shares or other securities with the nature of equities of the Company within six months after the sale, the gains generated from such trade shall be disgorged and paid to the Company. The board of directors of the Company shall forfeit such gains from the abovementioned parties. Nevertheless, if a securities company holds more than 5% of the shares of the Company by buying the remaining shares pursuant to an underwriting arrangement and except other circumstances as stipulated by the CSRC, the six-month limitation for selling the said shares shall not apply.
		For the purpose of the foregoing paragraph, the shares or other securities with the nature of equities held by the directors, supervisors, senior management members and natural person shareholders shall include the shares or other securities with the nature of equities held by their spouses, parents and children and held through others' accounts.

No.	Original Articles of Association	Articles of Association (Draft)
		Should the Board of Directors of the Company does not observe the provisions set forth in the second paragraph of this article, the Shareholders shall be entitled to require the Board to effect the same within 30 days. If the Board of Directors of the Company fails to do so within the aforesaid time limit, the Shareholders may directly initiate people's court proceedings in their own name for the interests of the Company.
		Should the Board of Directors of the Company fails to execute the provisions under the second paragraph of this article, the responsible Director(s) held accountable shall assume joint and several liabilities under the law.
